7. If a window is displayed as below, you have successfully logged in to an electronic journal. As is the case with your on-campus access, you can browse or download research papers.

The screenshot displays the Springer Link website interface. At the top left is the Springer Link logo. To the right, there are links for 'Sign up / Log in', 'English', and 'Academic edition'. Below the logo is a search bar with the text 'Search' and a magnifying glass icon. A settings gear icon is also present. A navigation bar below the search bar contains 'Home' and 'Contact Us'. On the left side, there is a vertical 'Feedback' button. The main content area features a 'Browse by discipline' section with a list of categories: Architecture & Design, Astronomy, Biomedical Sciences, Business & Management, Chemistry, Computer Science, Earth Sciences & Geography, Economics, Education & Language, Energy, and Engineering. To the right of this list is a large promotional banner with the text 'Providing researchers with access to millions of scientific documents from journals, books, series, protocols and reference works.' Below this text are two smaller images: one for 'Hydrobiologia' with a large '700' and another for 'Live Reference - Constantly updated Springer.com / SpringerReference'. An orange box on the right of the banner says 'New books and journals are available every day.' The footer contains three columns: 'Our Content' (Journals, Books, Book Series, Protocols, Reference Works), 'Other Sites' (Springer.com, SpringerProtocols, SpringerMaterials), and 'Help & Contacts' (Contact Us, Feedback Community, Impressum). The Springer logo is also present in the footer. At the bottom, there is copyright information for Springer Science+Business Media and links to 'Privacy Policy, Disclaimer, General Terms & Conditions'. A red box highlights the text '© Springer Science+Business Media' and 'Tottori University (3000147729) - Justice Consortium (3000675571) - 49.106.211.217'.
